Welcome...

Our story...

1999...We started building sheds for a company located in western Kentucky, with the assembly of the product, being our job.

2010...We were presented with an opportunity to start manufacturing sheds in Northern Indiana & Michigan. As a family owned business, our goal has been Quality Product, Quality Service.

2013...We started manufacturing Painted buildings in western Kentucky as a second branch to the company we had in Northern Indiana.

2015...We made the decision to sell the business in Northern Indiana and focused on providing our local community with quality sheds.

2017...We added the option for Urethane Buildings to give a more rustic option.

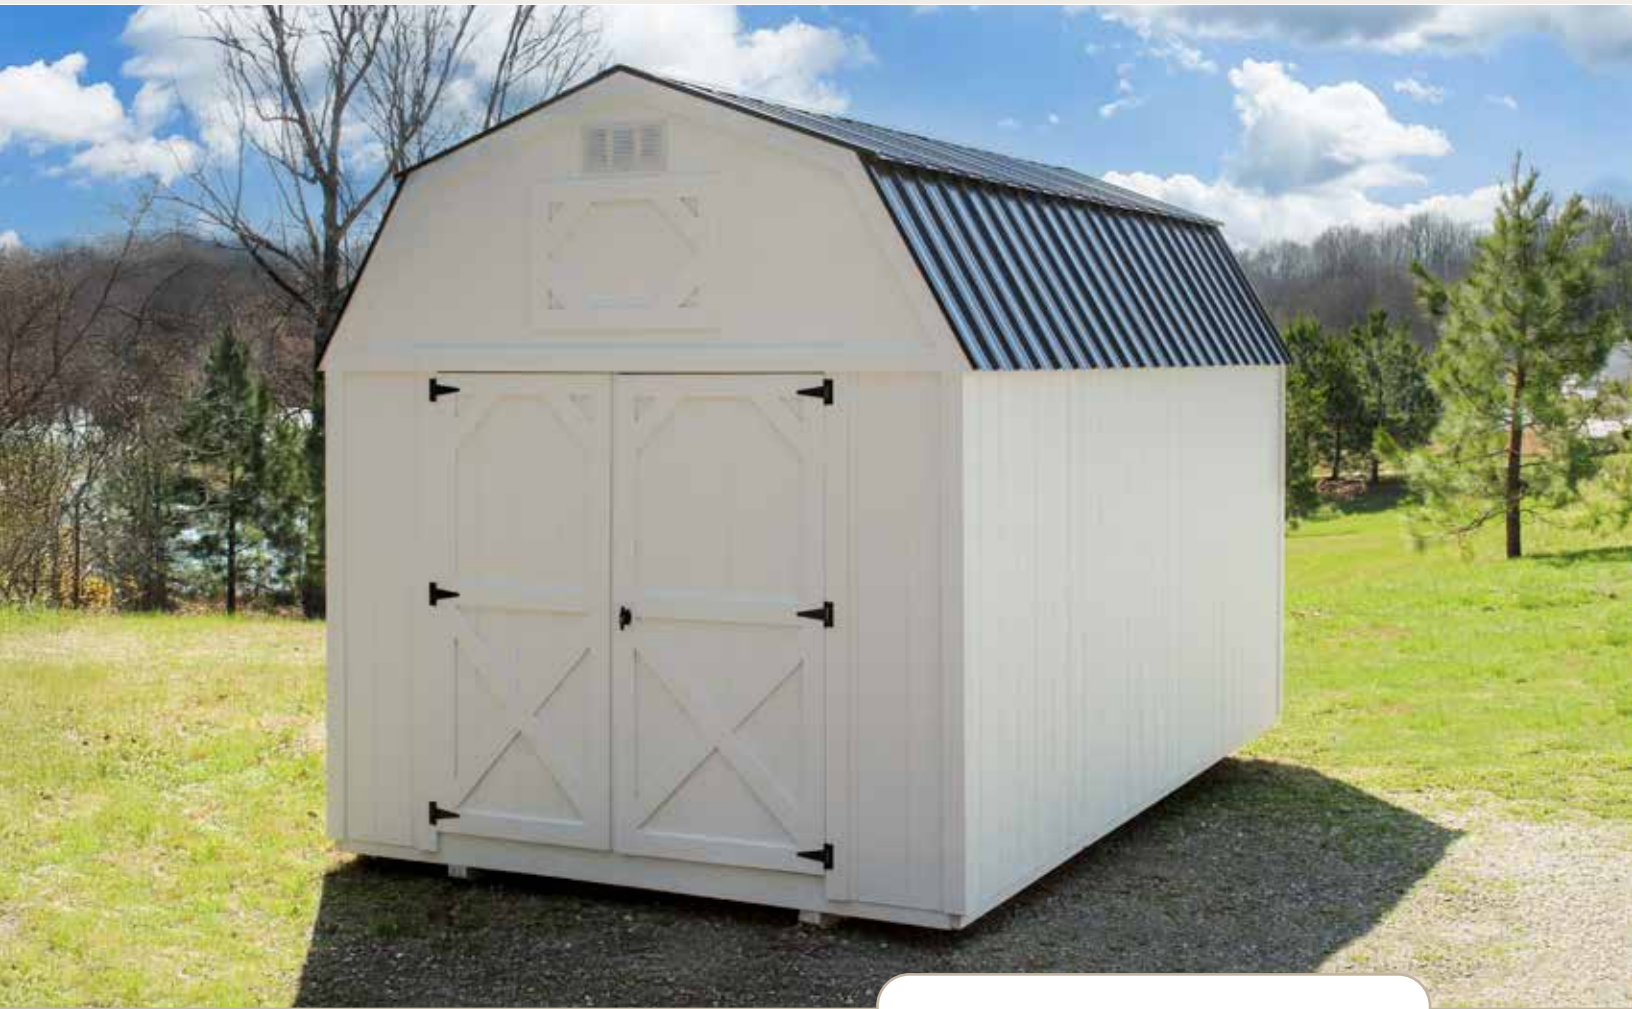

2022...In addition to that, we now offer a very durable All Metal Option for our buildings with a 40-year Warranty Metal.

*» With our experience over the years as a builder, then progressing to owning our own company, we have become able to serve all your needs for a shed. From Custom Built to Standard options, our goals remain the same...**Quality Product, Quality Service.***

YOU CAN RENT-TO-OWN!

• Rent-to-Own was established as an alternative to mini-warehousing. Our "no strings" plan allows you to have your own storage facility for your backyard or business, when and where you need it. The low monthly lease rates are comparable to

mini-warehousing rates per square foot. You are not required to fill out a credit application, nor are you required to keep your building. We offer 24, 36, or 60 month Rent-to-Own financing.

WE DELIVER!

• Quality Built Barns will do its best to ensure that the delivery is made in a timely fashion with a driver that does the job safely. It is the customer's responsibility to ensure ground conditions are suitable. Buildings are transported from the trailer to your yard with a mule (miniature forklift on flotation tires designed for building delivery to ensure minimal damage to yards). Quality Built Barns is not responsible for damage to your yard, driveway, and underground utilities. Customer is responsible for building permits, homeowners association, & covenants.

• Free Delivery includes 1 trip within 40 miles of any Quality Built Barns dealer. Extra trips will incur additional charges.

• All new buildings have a 5-year workmanship warranty.
